

# How to Use the Battery

*5 tips for extending your battery life*

- Charge Lithium-Ion Batteries fully( preferable overnight) before beginning to use the battery.
- Keep Lithium-Ion Batteries fully charged when it not in use.
- Charge Lithium-Ion Batteries every 6 month and store it in cool, dry place if it will be not used for a long time.
- Never leave Lithium-Ion Batteries discharged for long. the batteries do self-discharge & the charge could drop low enough to damage the battery.
- Use the Lithium-Ion Batteries at lease 2-3 week.

**\* Caution - Only Battery approved by Posdion may be used.**
